SUPPORTING ROLES

Enhanced our already brilliant staff + volunteers

TRAINING

Bring it on!
BRUM

first aid

Great

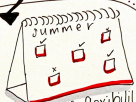

Give more notice or you could repeat some of it... like first aid. It was delivered before we knew about it

food safety training was great.

But could we take it up a bit to allow cooking from scratch?

Some were limited by the schedule

lots of flexibility with dates, helped availability

Promote at grant application stage

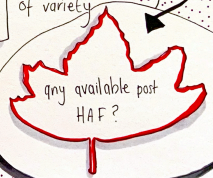

Comprehensive offer, lots of variety

Saved us time + money

Covid meant we did lots online hope it'll be more face to face in the future.

any available post HAF?

FOOD

fresh

- Staff worked hard to get it every day
- Shopped around
- Included juice
- access to fruit throughout the day

Nutritious

- varied options
- linked nutrition to menus
- school meal quality good + hard to encourage it to be eaten
- Challenging

Varied + accomodating

- considered allergies
- took on feed back + kids loved it
- breakfast, lunch + dinner
- three choices a day

Bring it on
Bram!

delivery

- trained local people
- engaged local providers
- appreciate effort from all food bank support
- Varied success with suppliers

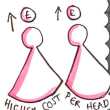

cooking

- Some in house
- Conversations + connection happened while cooking
- Got kids involved
- Hot food every day
- Provided structure to the day
- various spaces used to accommodate cultural + allergy needs.

Specials (+ options for future?)

Options for waste?
