

OUR SUMMER SERIES OF HOLIDAY GAP SKILLS DEVELOPMENT WORKSHOPS FOR HAF (HOLIDAY ACTIVITY AND FOOD) DELIVERY PARTNERS & PROVIDERS

StreetGames have been working for a number of years with HAF commissioning Local Authorities and partners to support Holiday Gap staff, volunteers and young leaders in sustaining and growing high quality holiday provision as part of the HAF Programme. An effective and upskilled Workforce is crucial in ensuring that every young person living in a low-income, underserved neighbourhood can access the right activity and food offer for their needs as well as year-round, life-enhancing Doorstep Sport.

In the Summer of 2024, we are offering individual learners the unique opportunity to access our award-winning online training, through a choice of SEVEN of our most innovative and exciting training workshops.
